4x4 Master Technician – Automotive Shop

Description

Currently seeking a Master Technician for our automotive shop. We are a custom 4x4, performance automotive shop that focuses strongly on Jeep branded products. We offer 14 full-service bays, state of the art equipment, and ample room.

We are looking for a self-motivated individual that can thrive in a flexible team environment. Candidates must possess strong diagnostic skills and electrical experience. Differential and manual transmission experience is a plus. Experience at a Chrysler Jeep dealership is a huge plus. Ideal candidates will be Missouri Safety and Emissions qualified, ASE certified, and possess at least five years of relevant experience.

This position is ideal for a dependable, goal-oriented, and innovative individual. If you are a reliable individual who enjoys being challenged and prefers working in unconventional ways, this could be the perfect fit for you. We describe ourselves as aggressive, team-oriented, and detail-oriented because we work in collaborative manner that focuses on precision and quality which has led to our success and allows us to continue to grow. Be part of a team that is proud of the work they do and looking to improve each and every day.
